## Sponsor a Seat in Corrigan Park

The land on which Corrigan Park stands was first purchased in 1926 by the County Antrim GAA and the first stand was built in 1929 to accommodate 900 people at a cost of £1,439. When Casement Park opened in 1953 negotiations began with St. John's who eventually took over Corrigan Park in November 1955. Since then, each new generation of Johnnies, have assumed responsibility for maintaining and improving the facilities culminating in 2020 with a state of the art, much needed spectator facilities. In the absence of Casement Park, the second County Ground at Corrigan Park has hosted County and Ulster fixtures with pride, over the past number of years. Thanks to partnerships and finance within the GAA the new covered stand is an essential bonus.

To help secure the last of the finance to complete the project, we are inviting friends and families to **Sponsor a Seat** in the new stand.

Names will be displayed on a **'Friends of Naomh Eoin'** plaque in the club. If you wish to make a donation please contact

# Gift Aid it Please tick

Yes I am a UK taxpayer and I would like St. John's GAC to reclaim the tax on all donations I have made in the last four years and all future gifts of money that I make to be Gift Aid donations.

I understand that if I pay less Income Tax and/or Capital Gains tax than the amount of Gift Aid claimed on my donations in that tax year then it is my responsibility to pay any difference.
